PACRABING INNOVATION

NiMA IMPORTS

For more than 20 years, NiMA Imports has proudly partnered with growers, marketers, and retailers across North America to deliver innovative, customizable, and sustainable packaging solutions.

As a family-owned and operated company, we believe lasting partnerships are built on trust, reliability, and a shared commitment to excellence. Our team works side by side with customers to understand their needs, anticipate challenges, and create solutions that strengthen their brand and streamline their operations.

Our mission is simple: to help our customers succeed. Guided by our core values of quality, innovation, and customer-first service, we continually invest in advanced facilities and sustainable packaging technologies to meet the demands of an evolving market. From our headquarters in Kingsville, ON, we provide tailored support, including flexible Stock & Release programs that ensure your packaging is ready when you are.

At NiMA Imports, we're more than a packaging supplier. We're a trusted partner dedicated to protecting, presenting, and delivering your products with care.

LETTUCE PACKAGING

FRESHNESS, PERFECTLY CONTAINED

What is rPET?

Recycled polyethylene terephthalate, is a sustainable material made by recycling post-consumer PET plastics into new, food-safe packaging. Giving plastics a second life and supporting a circular economy.
